

Support the SAVE America Act Phone Scripts

Version 1

Hello, my name is [Name] and I'm a constituent from [City].

I'm calling to ask Senator [Last Name] to support the SAVE America Act, H.R. 7296. This bill would require proof of citizenship when registering to vote in federal elections, closing a gap in current federal law that relies largely on self-attestation.

A 2024 Gallup poll found that 83% of Americans support requiring proof of citizenship to register to vote, so I hope the Senator will support this important legislation.

Thank you.
