

COUNTY SUPERVISOR OF ELECTIONS (SOE) SITES

A Guide to Florida's Election Websites and When to Use Them

Florida's 67 Supervisors of Elections each maintain their own website, serving as the official source for voter registration, ballot requests, candidate filings, petition verification, precinct information, election results, and more. These websites aren't just for election season—they're where the process starts. Knowing how to use your county's Supervisor of Elections website is key to voting, running for office, tracking results, and participating confidently in Florida's election system.

- **Track Ballot Status** - after mailing your ballot, to confirm it was received and counted.
- **Submit or Track Petitions** - if you're supporting an issue or candidate and want to know if your signature was verified.
